

Prayer for Peter Sutton and his family as he prepares for his Ordination and for our congregation as we prepare to welcome him to Horsted Keynes

Lord of the harvest, we pray for Peter Sutton, and all those training to become priests. Give them a deepening assurance of your call, an increasing experience of your life-giving Spirit, a strong conviction of your truth and a boldness to make it known; that they may equip people for work in your service and build up the body of Christ in faith and knowledge, to the glory of your great name. Amen.
