

PRAYER FOR THE BUILDING OF THE ANNEX

All are welcome to join a Prayer Group on Tuesdays at 1.15p.m. in Church from 15th March.

Holy Spirit, we ask your inspiration and guidance as we seek to improve the facilities at St Giles Church by building an annex. Help us through the challenges we face, so that the project may be safely and well delivered. May the facilities help to bring people closer to Jesus during their construction and for many years afterwards, to the glory of God the Father. Amen.
